- Small stud earrings or hoops permitted
- ALL ATTIRE MUST BE CLEAN AND PROPERLY FITTED
- PUPILS MUST BE WELL GROOMED WITH SHIRTS TUCKED IN

The Christ Church School Uniform – Fabric & Design Overview

Why We Chose This Fabric and Style

At The Christ Church School, our uniforms are designed with **comfort, durability, and practicality** in mind. Almost all uniform pieces are made from a **high-quality, stain-resistant, and weatherproof fabric** that helps pupils stay presentable and comfortable throughout the school day, even during active play.

The fabric also features **crease-resistant technology**, ensuring a smart appearance with minimal ironing, making it convenient for both pupils and parents.

Smart & Practical Design

All uniforms are designed to support ease of dressing and all-day comfort:

- **Elasticated waists** are included in all applicable items to provide flexibility, comfort, and a better fit for growing children
- **Shorts** are designed with a **pull-on style and no zips or buttons**, making them especially easy to wear—ideal for younger pupils and those who need extra dressing support
- **Trousers** include **zips (with elastic support)** to maintain a more structured and formal look while still ensuring comfort

Key Benefits

- Stain-resistant and weatherproof for durability
- Crease-resistant for a consistently neat appearance
- Comfortable fit suitable for daily school activities
- Easy dressing design for independence and convenience
- Long-lasting fabric that offers value for money

Summary

Our uniform combines **functionality, comfort, and a smart appearance**, ensuring every student looks well-presented while enjoying ease of movement and long-lasting wear throughout the school year.
